FAWNDALE ROCK & ASPHALT / AGGREGATE PRODUCTS would receive a deduction and the Contractor would receive their bonus.
4. Material produced for Caltrans to verify Mix Design will be purchased by Contractor at the above price with a minimum of 75 tons for each design.
5. Above material prices are subject to sales tax unless Resale Certificate is on file.

10. HMA "TYPE" A price subject to minimum daily purchase of 200 tons.
11. Terms of Payment are Net 30. All invoices become past due after 30 days from date of invoice. Past due balances are subject to a finance charge computed by a periodic rate of 1.50% per month, which equates to an annual rate of 18%. In the event an attorney or collector is employed in the collection of this account, the buyer agrees to pay all attorney and/or collector fees incurred, with or without suit.
12. A 20-day Preliminary Notice will be mailed with each new order. This notice contains cost information and will be sent to all parties. All Preliminary information must be supplied by the Customer/Contractor 10 Days prior to the first day of materials purchased.
